Junior Code Club

Dear Parents/Caregivers,

Your child has expressed an interest in participating in our school Code Club. We will be using the website code.org to develop student coding skills, more information can be found at <https://code.org/>. Learning to code can strengthen problem solving skills and logical thinking, and supports key academic subjects such as science, mathematics and technology. We will also be working with a variety of robotics equipment and software as they become available to us throughout the year through initiatives such as STEM share.

Junior Code Club is for **students in Year 2 and 3**. We will meet on **Thursday mornings at 8am** in Miss Atkinson's room and students will continue to attend weekly throughout the year. It is important that your child attends weekly and arrives on time in order to maximise their time in the club.

Junior Code Club will begin Term 1 Week 8, Thursday the 2nd May at 8am.

If you would like your child to participate in this program, please complete the permission note below and return to Miss Atkinson.

E Atkinson and S Hunt
Junior Code Club coordinators

G Dennis
Principal

Junior Code Club

To: Miss Atkinson

I give permission for my child _____ of class
_____ to join the Junior Code Club.

I give permission for my child to use the resources found on the code.org website

I understand that my child will need to be at school by 8 am and will be supervised by a teacher at all times.
