### Senior Robotics Club

Dear Parents/Caregivers,

Your child has expressed an interest in participating in our school Senior Robotics Club.

We will be using ARTEC robotics kits and Studuino coding software to complete challenges. Learning to code can strengthen teamwork, problem solving skills and logical thinking, and supports key academic subjects such as science, mathematics and technology.

Senior Robotics Club is for **students in Year 4, 5 and 6**. We will meet on **Monday mornings at 8am** in the school library and students will continue to attend weekly throughout the year. It is important that your child attends weekly and arrives on time in order to maximise their time in the club.

**Senior Robotics Club will begin Term 2 Week 3, Monday 13th of May, 2024.**

If you would like your child to participate in this program, please complete the permission note below and return to Mrs Thompson.

C Thompson and T Dasios  
Senior Robotics Club coordinators

G Dennis  
Principal
