A community guide for sharing information and making enquiries.

Academic or welfare need of own child; or actions of another student in your child's class.

Contact your child's teacher in person, electronically or school phone and request a time to discuss the matter.

> For unresolved matters or those of a more serious nature arrange a time to meet with your child's Assistant Principal.

Actions of another student not in your child's class.

Contact the school office, and arrange a suitable time to talk with an Assistant Principal.

> For unresolved matters or those of a more serious nature arrange a time to meet with the Principal.

School organisation or practise.

> We aim to provide information and resolve matters at a school level. For next steps contact the Principal.
